Church Bells - Community Survey

Residence Information

Name (optional)	Survey Date
Street Address	Years Lived at this address
Church affiliation (if any)	

Background

The bell system was commissioned in March 2017 and now gives our church a noted presence in the community during the hours of 9:00 a.m. to 7:00 p.m. daily by playing the Westminster Chimes, hourly-strikes, and two patriotic songs in keeping with the church's historic heritage. The system also plays a call to worship hymn and rings the real bell on Sunday mornings.
